Further to Circular No. 142672/02/05-11-2025 issued by our service, entitled “Clarifications on the implementation of article 3 of Ministerial Decision No. 131191/02/30-09-2020, entitled ‘Competences of the School Board of the Medresses of Komotini and Xanthi’ (GG, Vol. B’, Iss. 4284),” and pursuant to article 3 of Ministerial Decision No. 131191/02/30-09-2020, concerning transparency in the financial management of the School Boards of the Medresses of Thrace in the performance of their duties, the following is hereby clarified:

Given the particular importance attached to the disclosure of the financial management results by the School Boards, the boards are required to report these results annually at the meeting held by the Parents’ and Guardians’ Association of the students of the Medresses. In this case, the minutes drawn up, which include their signed acknowledgement, must be sent to our service.

In the event that parents and guardians (all or some of them) do not attend, the School Boards are requested to inform them by any appropriate means (e.g. by email, etc.) and, thereafter, notify our service by sending proof of notification.

In the event that there is no Parents’ and Guardians’ Association at the Medresses, the School Boards of the Medresses are required, by any appropriate means, to notify all parents and guardians of the students of these schools and, thereafter, send proof of notification to our service.
