

Special distinction: International promotion of one of the winning entries in the 8th student short film (video) competition “The Holocaust and the Greek Jews”, school year 2021-2022

On the occasion of the Greek Presidency of the IHRA (International Holocaust Remembrance Alliance) for the 2021–2022 school year, a special distinction has been added to promote one (1) of the five (5) awarded works internationally, which will be granted based on the evaluation of the Evaluation Committee of the 8th Student Competition, with an expanded membership.

The international promotion of the work receiving this special distinction may take place either online or through physical participation of the students, accompanied by their supervising teacher, within Greece or abroad, provided that the epidemiological conditions permit it.

Schools under your supervision should be informed of this update and this document should be posted on the announcement boards of the respective schools, under the responsibility of the school principal.

The competition invitation is available at the following link:
