18-09-2025 National Student Short Film Competition on the theme “The Heroic Exodus of the Free Besieged of Messolonghi in 1826”

The General Secretariat for Religious Affairs of the Ministry of Education, Religious Affairs and Sports and the Special Synodical Committee on Cultural Identity of the Holy Synod of the Church of Greece are organizing a national student short film competition on the theme: “The Heroic Exodus of the Free Besieged of Messolonghi in 1826”, marking the 200th anniversary of this historic event.

Second and third grade middle school students from all over Greece may participate in the competition until February 26, 2026, either individually or in groups of up to three students, under the supervision of a teacher.

Awarded students will take part in an educational program, which includes a visit to the Holy City of Messolonghi and an awards ceremony.

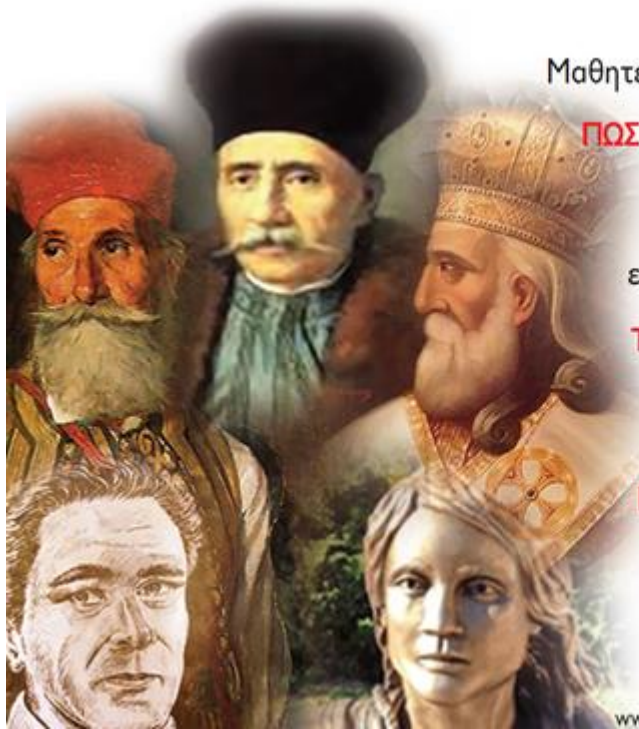

For the current school year, the central theme of the competition is the heroic Exodus of the Free Besieged of Messolonghi on April 10-11, 1826. In particular, students are invited to create a short film (video) inspired by one of the following figures from the Second Siege (1825–1826) period and the heroic Exodus of the Free Besieged of messolonghi:

- a. National Martyr Bishop Joseph of Roga,
- b. The notable Christos Kapsalis,
- c. Johann Jacob Meyer (Swiss Philhellene and publisher of the Greek Chronicles),
- d. Tassoula Gyftogianni (heroine of the Second Siege of Messolonghi) and
- e. Ioannis Papadiamantopoulos

Through their creative work, students will have the opportunity to express their thoughts and feelings on the topic and to reflect on its significance and relevance in modern life, drawing

inspiration especially from the lives and work of the historical figures highlighted in this year's competition.

Furthermore, participants will become familiar with scientific and historical research, acting as researchers of the past through the exploration and study of historical sources.
