On Wednesday, October 18, 2023, the meeting of the 9th student short film competition on the theme “The Holocaust and the Greek Jews” was held online.

During the 2022–2023 school year, 40 schools participated in the competition, submitting 77 films created by 203 students from the 1st and 2nd grades of high school. The students who distinguished themselves in the 9th student competition took part in an educational program organized by the Jewish Museum of Greece, which included an educational visit to the Auschwitz-Birkenau State Museum in Poland in July 2023.

The meeting was also attended by winners of the 6th student competition, who also visited the Auschwitz-Birkenau State Museum, after restrictions on school trips due to the pandemic were lifted.

During the meeting, participants were given the opportunity to share their experiences, thoughts and feelings arising from their participation in the educational program.

The General Secretariat for Religious Affairs thanks all participants in the competition and the Jewish Museum of Greece for co-organizing the event, and congratulates the winners, the teachers, and the students’ parents for their support.
