

Decision Φ.8.2/31.2/01-10-2026 “Call for elections for the School Board of the Medresse of Komotini”

We hereby decide:

1. To call for elections among the parents and guardians of the students of the Medresse of Komotini for the School Board, from November 2 to November 4, 2026, which shall be conducted before a three-member Electoral Committee appointed by the Deputy Director of Secondary Education of the Rodopi Regional Unit.
The Electoral Committee, by its own decision, shall determine the date of the elections, the opening and closing hours of the voting process, as well as the voting venue, and shall ensure the proper arrangement of the premises within the Medresse.
2. Any parents and guardians of the students of the Medresse of Komotini who wish to stand as candidates for the elected members of the School Board are invited to submit their application for candidacy within five (5) days from the date the notice is posted on the school's official announcement board; applications must be submitted to the local Director of Secondary Education where the Medresse is seated. The application must be accompanied by the following supporting documents: a) a certificate, jointly signed by the Principal and the Vice Principal of the respective Medresse, stating aa) that the candidate is a parent or guardian of a student enrolled in the Medresse, bb) the full name of the student, and cc) the student's grade, and b) a certificate of registration in the municipal register of a Municipality within the prefectures of Xanthi, Rodopi, or Evros. In the event that a candidate has transferred their registration to another municipality in a different region, the certificate issued by that specific Municipality must explicitly prove that they were transferred from a Municipality belonging to the aforementioned prefectures.
3. The right to vote is granted to all parents and/or guardians of students attending the Medresse of Komotini.

This decision shall be published on the official website of the Regional Directorate for Primary and Secondary Education of Eastern Macedonia and Thrace and shall be posted on the school's announcement board.
